

 Model No. **HRMD1**

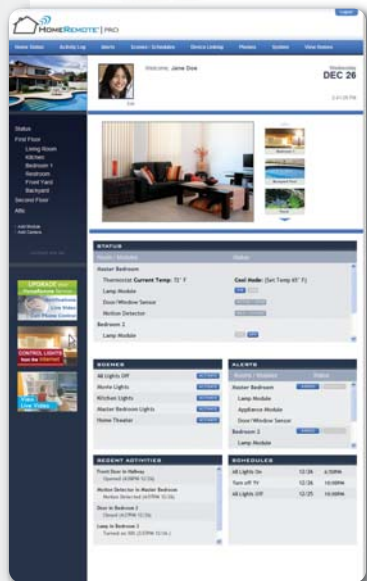

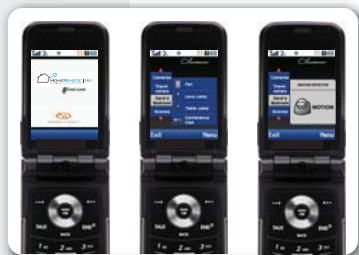

## HomeRemote™ Wireless Motion Detector

Secure and monitor your home with the HomeRemote Wireless Motion Detector and the HomeRemote Pro system. The plug and play Wireless Motion Detector Sensor can be assigned to turn lights on or off when motion is detected or send text message alerts and emails when activity occurs.

- Detect motion in dark and lighted environments
- Wireless and battery operated for easy installation and setup
- Can trigger lights or other Z-Wave™ modules to activate when motion is detected
- Send e-mail or text message alerts when motion is detected
- Supports "Device Linking" feature for triggering other modules
